Score Improvement Tips

Based on information found in this report on Dimension Group, LLC, we recommend the following action items to help improve your business credit score:

- The number of accounts reporting in the last 6 months is low.
You should attempt to use more accounts you may have, or open new tradelines.
- You have a number of accounts with terms that are not the standard net-30 terms.
You should attempt to obtain net-30 terms, if possible, from existing and future tradeline suppliers.
- The length of time Experian has a credit history on your company affects your score.
Young companies are penalized for not having a long credit history.
Older companies benefit from having a long history.
- Make sure all of the information seen here in your report is correct.
